Call us on

1860-419-5555/1860-500-5555

and choose desired option to

generate the PIN

Set PIN

## Stay in total control of your card to:

Enable online

transactions

Activate contactless\*

transactions

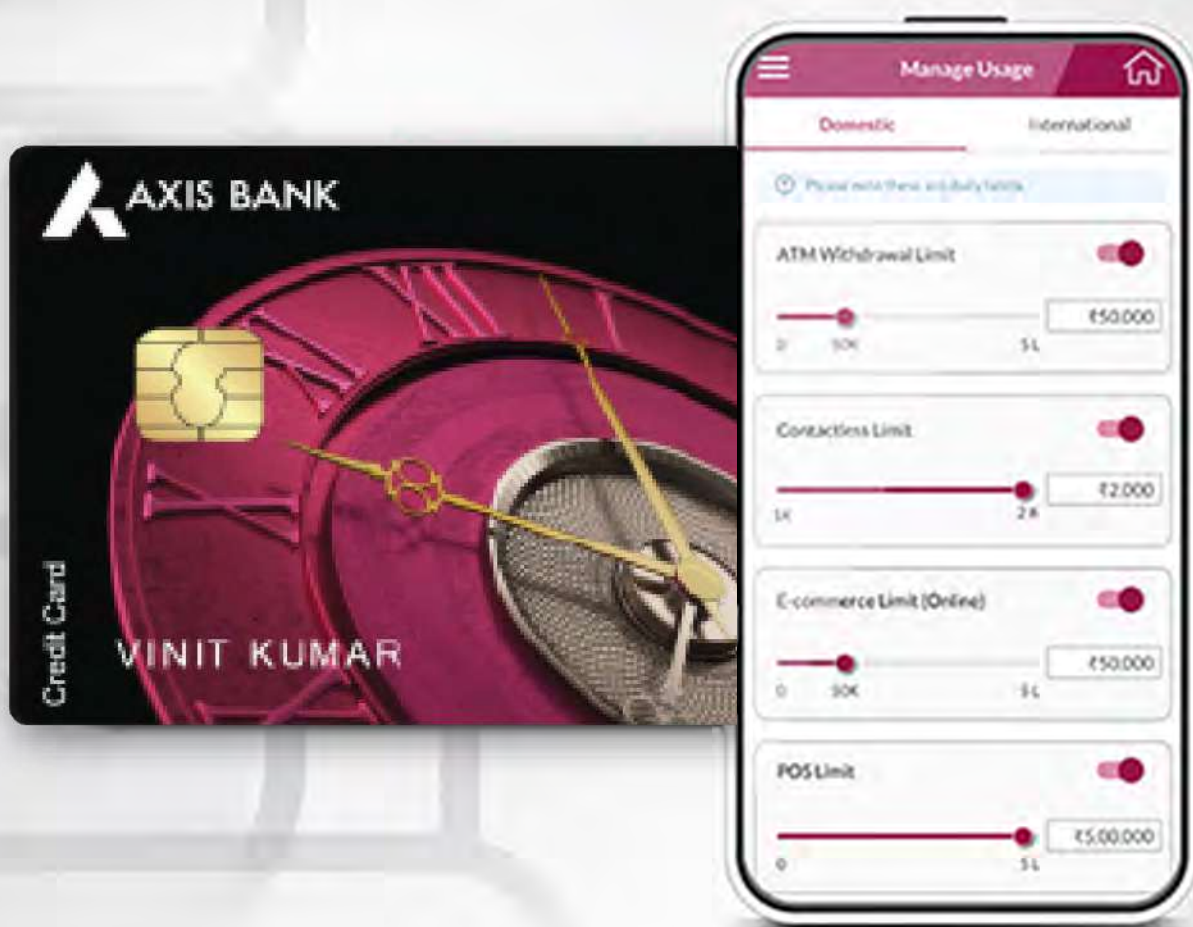

Enable international

usage

Manage Usage

Download App  

#First time users of Mobile App/Internet Banking, SMS CUSTIDCC xxxx (last 4 digits of your card) to 5676782 to know your customer ID  
\*Look for the  symbol at the retail outlet to simply tap your card for a fast and easy payment (applicable for transactions less than Rs. 2000 only).

## Managing your usage is now easy!

Your Credit Card is already enabled for domestic ATM and POS transactions. You can enable it for online, international contactless transactions as well. It is a matter of a few clicks.

### Steps to enable your card

Log in to  
**AXIS MOBILE**

> Credit Card > Control Center > Domestic Usage/  
International Usage

It is very simple, watch the demo [here](#)

Log in to  
**INTERNET  
BANKING**

> Credit Card > Control Center > Domestic Usage/  
International Usage

**Manage Usage**

*To increase security of your card transactions, it is advised that you enable online, international or contactless transaction functionalities only after receiving the physical card*

*Image is for representational purposes only.*
